Video links for the Assessment Framework Cascade Training

Experimental design and conducting experiments (4 mins)
Introduction to the key assessment criteria (7 mins)
Key criteria for Grades 6, 7 and 8 (13 mins)
Key criteria for Grades 9 and 10 (11 mins)
Grades 11 and 12 (8 mins)
Observing Scientifically (5 mins)
Assessment (12:39 mins)
Moderation (5:33 mins)
Introduction to the lab (6:40 mins)
Introduction to the exemplifying videos (5:27)
Exemplifying Level 1 in the classroom (3:18 mins)
Exemplifying Level 2 in the classroom (4:40 mins)
Exemplifying Level 3 in the classroom (5:08 mins)
Exemplifying Level 4 in the classroom (10:17 mins)
Asking scientific questions (4 mins)
Hypothesising and predicting (4 mins)
Organisation, interpretation and analysis (4:5 mins)
Inferring, concluding and evaluating (5:48 mins)
