Going Global Partnerships TNE Grant 2026-27

November 2026

TNE Grant 2026-27

List of successful applications under the Going Global Partnerships TNE 2026 Grant:

Sr No.	Application ID	Project Title	UK Lead Partner	Indian Partner/Institution
1	10330	NeuroAI-India: Co-developing and Piloting a UK–India Transnational Postgraduate Course in AI/Machine Learning and Synthetic Neurotechnology	Newcastle University	National Centre for Biological Sciences
2	8578	Development and Launch of an Industry-Led India–UK Transnational Module: Space-Ready Skills in AI, Biosensing and Advanced Materials	University of Leicester	Indian Institute of Space Science and Technology (IIST)
3	9312	EdgeAI Connect: Co-designing Future-Ready Edge Intelligence Education Framework	Durham University	Indian Institute of Technology (IIT) Indore
4	8365	Open Worlds: A UK–India Postgraduate - Micro credential in Virtual Production and Worldbuilding for Emerging Media	Ulster University	Whistling Woods International
5	9164	Bridging Borders: Establishing the Greenwich–KIIT Centre for Intelligent Manufacturing and Robotics Education	University of Greenwich	Kalinga Institute of Industrial Technology
6	9773	Developing an International professional certification on ESG as Competitive Advantage: Integrating a circular Framework into Indian Circular-Economy Start-ups to Enable EU and UK Market Entry	Birmingham City University	Panjab University
7	9814	Circular Solar Economy: A UK–India Transnational Education Framework for Sustainable Solar Innovation, Skilling, Employability and Venture Creation.	London South Bank University	Birla Institute of Technology and Science Pilani (BITS)

8	10009	Green Energy for Industrial Decarbonization in Cement and Steel Sectors (GRID)	University of Manchester	Vellore Institute of Technology (VIT)
9	9770	NICE-GIRL: Newton-Indira Coalition for Engineering Girls' Innovation In Robotics, Automation and Leadership	University of Lincoln	Indira Gandhi Delhi Technical University for Women
10	9451	Smart Digital Twins for Predictive Maintenance and Circular Manufacturing Transformation	Edinburgh Napier University	Vellore Institute of Technology (VIT), Vellore
11	8353	Circular Futures: Co-design and Pilot Programmes for Future Sustainability Leaders	Open University	Dr. Babasaheb Ambedkar Open University (BAOU)
12	9858	UK–India Dual PhD TNE Programme in Artificial Intelligence and Machine Learning	Keele University	Dayanand Sagar University
13	10190	University of Surrey and IISER Thiruvananthapuram: A Transnational Masters in Semiconductor Technology Innovation and Enterprise	University of Surrey	IISER Thiruvananthapuram
14	8441	Building Future Skills: Transforming UK-India Built Environment Education for Intelligent, Resilient and Sustainable Systems	University of the West of England	SASTRA University
15	8557	MSc programme in Bio-inspired Neurotechnology, Synthetic Botany and Regenerative Medicine	University of Bradford	University of Mysore
