

Upper Secondary Plus

15 minutes of fame

learning hub overview

B2.2

About this module

In this module, you're going to ...

- read and reply to online posts that give opinions about celebrity culture
- understand a conversation between a student and a careers adviser
- learn and use language for comparing people's abilities and behaviour
- present your own arguments, giving reasons and supporting details
- distinguish the main idea from supporting details to better understand a conversation
- give background information and use signpost language to take part in a conversation

Project

Prepare for and take an active part in a balloon debate.

UPPER Secondary Plus

UPPER-INTERMEDIATE 2

15 MINUTES OF FAME

In the news

What stories have you heard or read recently about celebrities?

What kinds of celebrity news stories affect you in a positive way and in a negative way?

INSIDE

Read and reply to online posts that give opinions about celebrity culture.

Understand a conversation between a student and a careers adviser.

Learn and use language for comparing people's abilities and behaviour.

Present your own arguments, giving reasons and supporting details.

PROJECT

Prepare for and take an active part in a balloon debate.
