PP6

About this module

In this module, you're going to learn about graduating from school.

Language

- graduating from school
- reporting verbs
- school memories
- photography and digital photo-editing

Skills

- develop a mind map to help you plan your class graduation
- talk about your favourite school memory
- plan a photoshoot for a class yearbook photo
- write a thank-you speech

Project

What do we want to remember about each other?
