Dear Parent/ Guardian,

The British Council takes the welfare and safety of children very seriously. This Parent Consent Form has been initiated by the British Council (BC) to enable the parents (or authorised guardians) to make an informed decision about whether to allow their child to take the test at the designated venue. You must tick ANY ONE option in the form and sign, thus giving us the permission to let your child leave the premises according to the option which you have selected. The form needs to be handed over to the BC Venue Staff/ Supervisor, by the candidate.

If you have undertaken to pick up your child yourself, you are requested to remain present in the waiting area at exam venue, at the end of the test. The same applies to any guardian of the child, authorised by the parent.

We sincerely thank you for your cooperation and supporting British Council in complying with its Child Protection Policy.
