

Reading Challenge 2022 - Delhi

Get ready for Gadgeteers- Reading Challenge 2022!

Gadgeteers will feature amazing books, awesome rewards, fun activities, and a challenge to read **6 books in 6 weeks**. The objective is to spark children's curiosity about the amazing **science and innovation** behind the world around them. The Challenge and the accompanying book collection will show how imagination can unlock endless possibilities, and the British Council library is where this starts.

Workshop 1 - Super Readers

Duration: 1 hour 30 minutes

"The more one reads, the better one reads." The workshop will help participants explore their interests and make mindful choices while picking a book to read. The session activities will also assist them in building reading stamina and skills to improve comprehension.

Learning Outcomes:

Children will

- discover their likes and dislikes,
- learn to make choices,
- pick up pace in reading.

Workshop 2 - Super Innovators

Duration: 1 hour 30 minutes

Children will create fictional 'Gadgeteers' or characters with super gadgets. The workshop will encourage learners to use their curiosity and wonder to understand and decode the science behind a whole range of vista from fashion and technology to cooking and music. Children will learn to fashion their thought and put their ideas on a piece of paper.

Learning Outcomes:

Children will

- develop a flair for creative writing,
- learn how to develop fictional characters and story plots,
- build new vocabulary and coin new terms.

Workshop 3 - Super Presenters

Duration: 1 hour 30 minutes

"If you don't know what you want to achieve in your presentation your audience never will." - Harvey Diamond. The session will help participants become better presenters. They will give voice to their ideas and practice bringing their super innovations on stage in front of a live audience.

Learning Outcomes:

Children will

- build stage confidence,
- polish the art of public speaking,
- learn to present their ideas eloquently.
